Carboma

Confectionery display cases
CUBE LIGHT

FEATURES:

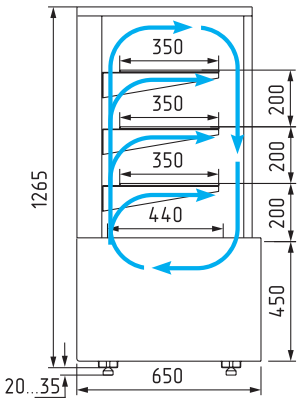

- CUBE LIGHT series of confectionery display cases means contemporary look of retail spaces.
- Cubic design, lighting on every shelf, diverse colors will make shop interior attractive.
- Suitable for displaying cakes, pastries, pizza, bread.
- Due to its protection in the form of metal stands covering the joints between glass units, this display case is recommended for areas with high customer traffic flow and risk of damage to the display case by bags and suitcases.
